Dear [Name of Recipient]:

Congratulations on officially becoming the owner of your new home. I hope your plans for moving in are going smoothly and that you will soon be enjoying the comforts of the home that our family dearly loved for so many years.

I want to thank you very much for your understanding and cooperation throughout the entire time we worked together on getting the sale done. You really helped make the process go smoothly. Selling one's home is often difficult for people who've lived in that house for years and raised a family there, but as you know, it was especially hard for me because my husband had died such a short time before, and I was forced to take care of all the details myself.

I hope you enjoy your life in your new home as much as we enjoyed our time in it.

Best wishes,

[Your Name]
